

~ HAPPY 1<sup>st</sup> ANNIVERSARY ~

*Thank you everyone for all your Support!*

Geez, it's hard to believe that it's been just a bit over a year, since SON-SF ~ Save Our Neighborhoods SF launched in 2022 at the Green Fest Block Party @ Java Beach & United Irish Cultural Center SF and began our campaign to the **STOP 2700 SLOAT BLVD** project.

This past year a lot has happened but we still have a lot of work ahead of us & hurdles to jump to the **STOP 2700 SLOAT BLVD** project. So, we're reaching out and asking for your continued support & participation to **STOP** projects like this by doing 1 or all of the below options:

- Asking one (1) or more of your friends to [SIGN OUR PETITION](#) by clicking the tab located on any page on the [SON-SF](#) website @ [sonsf.org](#)
- Another way to help **STOP** projects like this in our Communities in & around California are to:
  - Bookmark this link below, follow the instructions & then voice your opinions to **SAY NO** to the countless State Bills that are ruining our Communities especially SB 35, SB 1114, SB 1485
    - [California Legislature Portal](#)
- Contact us on how to Get Involved, *Support [SON-SF](#) & Other Like-Minded Groups*
  - The more we ban together the stronger we are!!

Please click on [SON-SF](#) to keep updated on current information about how to **STOP 2700 SLOAT BLVD** & about future Events / Activities.

Also, if you want to reach out to us, Volunteer or have any questions, please contact us at [info@sonsf.org](mailto:info@sonsf.org)

Again, we SO appreciate your amazing support and assistance this past year!

Thank you very much,
